

FEBRUARY 2018

E-NEWS FROM THE MON VALLEY ICD

Have you received your 2018 Spring Training & Education Guide?

There is a new look to the Custom Course catalog, now full size, with loads of learning opportunities for every interest as well as general information about the USW Career Development program. New classes include Windows 10-Intro Plus, Stained Glass, Adobe Photoshop, Advanced Welding and more! Our innovative Education Providers have again brought today's skills in technology to our door, meeting our member's interests and needs. (More information about our Education Providers is available on the Mon Valley ICD website)

Over 50 courses are scheduled from January to June, many open to spouses and retirees, and details can be found in the Training and Education Guide or on our website, www.monvalleyicd.com. **Register today for these courses starting soon;**

Registration remains open so enroll now to be included in this fun and interesting course!

TUITION ASSISTANCE

In addition to ICD Custom Courses, each year our members are eligible for up to \$1800 toward credit and non-credit education through approved, accredited providers. Please contact the ICD Coordinator, if you are enrolled in a program or are seeking education opportunities, to find out how to receive your benefit funds.

ICD ONGOING PROGRAMS

There are four on-going programs available to Mon Valley Works USW members; **Pre-Learner Maintenance Online Training, ToolingU Skills Online Training, USX Fitness Training Program, and Commercial Truck Driving (CDL) Training.** Members can begin training throughout the year. For more details, go to the [Programs page](#) on our website or contact the ICD Coordinator for information and how to enroll.

HIGHLIGHTS FROM 2017!

Many of our USW members took advantage of last year's learning opportunities.

Hope to see you in class in 2018!
